Overview
The objective of the Diversity Internship Program is to provide students with the opportunity to gain first hand experience working in a diversity related agency. Students are expected to work approximately 120 hours (unpaid) to receive 3 upper division credit hours. While the course is oriented towards gaining practical experience, course requirements also include various written assignments.

How to Sign Up for the Diversity Internship Program

1. Select an agency from the attached list (please see note on top of agency list), or consult with Undergraduate Advisor or Faculty Advisor about working with a different agency.

2. Submit a Diversity Internship Program Student Application form (can be obtained from advisor or from front office).

3. If approved to do the internship by the Faculty Advisor, obtain a registration number from Sarah Leymaster (Sociology Undergraduate Advisor, 581-4678), or from Dan Poole (daniel.poole@soc.utah.edu).

4. Call the contact person for the agency and set up an appointment to discuss the duties and responsibilities of your internship.

5. Discuss further requirements with Faculty Advisor (review syllabus online).

**For more information about Diversity Internships, please contact the Sociology Advisor, Sarah Leymaster, at 581-4678 or socadv@soc.utah.edu.
***IMPORTANT NOTE: These agencies are simply ideas of agencies with which you could do an internship. Some of these agencies may not accept interns every semester, while others may. The Diversity Internship is very broad in its scope, in terms of agencies for which you could volunteer. If you have a specific agency in mind, please get approval from Dan Poole (daniel.poole@soc.utah.edu). If you would like further ideas on possible places to volunteer, please check with the Undergraduate Advisor.
