Overview
The objective of the Criminology Internship Program is to provide an opportunity for students to gain first hand experience working in a criminal justice agency. Students are expected to work approximately 120 hours per semester in a criminal justice agency for three credit hours. While the emphasis of the course is oriented towards gaining practical experience, course requirements also include written assignments in the form of a chronological journal of activities and a research paper.

How To Sign Up for the Criminology Internship Program

1. Select an agency from the list below.

2. Obtain registration numbers from either Sarah Leymaster, who is the undergraduate advisor for the sociology department (581-4678) Or Larry L. Bench Ph.D., Director Criminology Internship Program (545-5593).

3. Call the contact person for the agency and set up an appointment to discuss the duties and responsibilities of your internship.

4. Once you have selected an agency, get an information form from Sarah Leymaster, fill in all of the information on the form and turn it in to Sarah.
